

Print and Graphics Scholarship Foundation

Investing in the future, changing lives since 1956

The goal of the Print and Graphics Scholarship Foundation (PGSF) is to offer undergraduate college and technical school scholarships, and graduate fellowship assistance to individuals interested in graphic communication careers.

Our mission is twofold:

1 To create awareness of graphic communications as a career path.

PGSF operates under the control of a board of directors comprised of industry leaders and educators with a passion for the industry and who are dedicated to furthering our goals and mission.

2 To financially support students pursuing a career in the field.

Students pursuing a career in graphic communications, printing technology, printing management, graphic design, or publishing are invited to apply for consideration.

Our Impact on the Industry

As a not-for-profit, private organization PGSF recipients include Full-time students as well as those working in the print and graphic communications industry who seek additional education to further their careers. The financial assistance we offer makes all the difference for our recipient community.

This scholarship allows me to immerse myself and focus on my studies, while feeling more financially secure. I hope that one day I will be able to help students achieve their goals, just as you have helped me.

-Kayleigh MacDonald

I'd like to thank you for awarding me a PGSF scholarship. I am taking on a heavy course load, so I am incredibly grateful for the opportunity to focus on my education instead of how I'm going to pay for it.

-Morgan Gale
